## Core Recreational Soccer Program

Your registration is for both fall and spring seasons. Teams formed in the fall play 7 games. Players are added in the spring, if there is space on a team, then teams play another 7 games for a total of 14 games per year.

Our core program is the foundation for all the fun, excitement and learning that happens on the fields. AYSO is best known for our core program - it's where the large majority of kids fall in love with soccer and make memories that will last a lifetime.

Teams are put together in a way that makes playing soccer about the experience, not wins or losses. It's not about blowing out another team with an unbelievable score; it's about sportsmanship and learning to be the best possible team mate and opponent. Developing players is what we're about, because soccer skills and life skills go hand in hand. AYSO's main purpose is to get kids on the field, provide them with good coaches, and teach them to play soccer.

- Players born in 2013, age 6 and under by the end of 2019.
- Games are on Saturdays only, 7 in fall and 7 in spring with starts from 8:30-2pm.
- You will have one practice at the start of your game time on Saturday for 30min.
- Games are 4 vs. 4.
- Unique rules apply, see back for details.
- Teams are formed with two teams in one, two matches are run at once.
- Game fields are 61 & 62 at Adams School in Corvallis.
- Substitutions will occur only at quarter breaks, halftime, or for an injury.
- No goal keepers, and players should be discouraged from hanging in the immediate goal area.
- No throw-ins, but instead do kick-ins.

## Required Team Volunteers

Each team is required to have 1 Head Coach, 1 Asst. Coach, 2 Referees, & 1 Team Manager.

## Team Helpers

Each player needs to have someone that contributes to the program. If you are not a required volunteer you are presumed to be a game day helper or a fields helper. These helpers are expected to sign up for a spot on a game day in each season, or pickup a fields task. See the back for more details about game day or fields helpers.

## 6U Rule FAQ

*Are there match officials or referees at this level?*

The volunteer coach-refs manage the game by being on the field with the players at 6U.

*Are there goal keepers at this level?*

No, there are no goal keepers at 6U. All players are “field players” with similar colors and cannot handle the ball.

*Are there throw-ins at this level?*

No throw-ins at 6U. Any time the ball goes out of play along the side lines, the game will be restarted by the attacking player kicking the ball into play from the spot on the side line where the ball went out of play. Defending players need to observe the same rules of conduct (distance, distractions) as those for throw-ins.

*Are there Direct Free Kicks at this level?*

All game restarts due to player conduct or behavior that caused the match official to stop play will be Direct Free Kicks. This means that a goal can be scored directly from the kick.

*Is there off-side at this level?*

There is no off-side at 6U.

*Are there game cards (lineup cards) at this level?*

There are no game cards for matches at this level.

*Is double touch allowed for a kick-in restart?*

No double touch on a kick-in, no dribble-in.

## We Are A Volunteer Organization

Our region serves over 1,200 children each year and is administered entirely by volunteers. In order to provide a quality program, we need **YOU!** Everyone is expected to volunteer. Coaching, refereeing, managing a team, concessions, fields, help station, and many other volunteer positions are available for adults and youth.

All volunteers who work directly with children are trained and certified. This includes a background check, concussion training, as well as job specific training. Training sessions are offered locally, prior to the start of each season. No previous soccer or job experience is necessary. We teach you what is required, and you provide the enthusiasm!
